DESIGN WITHIN THE REACH OF ALL.

FOR 2- AND 5-WIRE SYSTEMS

Mini Audio and Mini Audio Handsfree. Design within the reach of all.

Mini Audio and Audio Handsfree are the new door entry monitors with clean, simple lines from Comelit's Mini Series that adapt perfectly to any residential setting. The elegant styling is the result of Comelit's search for innovative design: a commitment that has earned the company international recognition and endorsements such as the Red Dot design award, Design Plus, Design Index ADI and Good Design.
